)	RESPONSES TO PLAINTIFF
)	DROPBOX'S FIRST SET OF
THRU INC., a Delaware corporation,)	INTERROGATORIES
)	
Defendant/Counter-Plaintiff.)	
)	

Pursuant to Rule 33 of the Federal Rules of Civil Procedure, Defendant Thru Inc. ("Thru") makes the following responses to Plaintiff Dropbox, Inc.'s ("Dropbox") First Set of Interrogatories (the "Interrogatories").

OBJECTIONS

Thru objects to Definition 1 if, and to the extent, it extends the meaning of the terms beyond persons controlled by or acting on behalf of Defendant Thru Inc.

1 Thru objects to Definition 2 because the identities of all "persons controlled by or acting
2 on behalf of Dropbox, Inc." are not known to Thru Inc.

3 Thru objects to Definition 5 if, and to the extent, that the definition purports to extend the
4 scope of discovery beyond that provided for in the Federal Rules of Civil Procedure, and this
5 Court's rules, as interpreted by precedent cases binding on this Court.

6 Thru objects to Definition 7 to the extent that it requires Thru to obtain detailed
7 information about third parties, documents, products and services not currently known to it.

8 **OBJECTIONS TO INSTRUCTIONS**

9 Thru objects to the Instructions to the extent they seek to impart on Thru a duty to obtain
10 and provide information not required by the Federal Rules of Civil Procedure and this Court's
11 rules, as interpreted by precedent cases binding on this Court.

12 **RESPONSES TO INTERROGATORIES**

13 **INTERROGATORY NO. 1:** Describe, in detail, the manner in which you conceived of
14 and selected the DROPBOX mark. Include in your description the reasons why you selected and
15 adopted the DROPBOX mark identify any marks that were considered in the process of selecting
16 the DROPBOX mark, and specify all relevant dates and the identities of each person involved in
17 the conception and selection of the DROPBOX mark.

18 **OBJECTION:** Thru objects to this Interrogatory to the extent it seeks information that is
19 not relevant to any claim or defense and not likely to lead to the discovery of admissible evidence.
20 Thru further objects as this interrogatory seeks information beyond that allowed by Fed. R. Civ. P.
21 26(b)(1) because it is not proportional to the needs of the case. Thru further objects that this
22 interrogatory purports to be a single interrogatory but contains discrete subparts.

23 **RESPONSE:**

24 a) Thru wanted a way of replacing anonymous FTP which would also have no direct
25 connection to the file system, that is to say, a blind upload to a predefined folder.

1 b) The name came from moving an electronic file to be delivered to a user into a
2 separate electronic file folder from which the user could retrieve it.

3 c) The mark DROPBOX was first attributed to Daniel Hurtubise of Thru in a product
4 road map email sent 04/18/2003 from Sean-Michael Daley. The mark was approved by Lee
5 Harrison.
6

7
8 **INTERROGATORY NO. 2:** Explain the meaning of the word "dropbox" as used in this
9 sentence on your website: "Consumer dropbox applications have attracted millions of users, and
10 the popularity of these solutions is growing by leaps and bounds."

11 **OBJECTION:** Thru objects to this Interrogatory to the extent it seeks information that is not
12 relevant to any claim or defense and not likely to lead to the discovery of admissible evidence.
13 Thru further objects to this Interrogatory to the extent it calls for speculation. Thru further objects
14 as this Interrogatory seeks information beyond that allowed by Fed. R. Civ. P. 26(b)(1) because it
15 is not proportional to the needs of the case.
16

17 **RESPONSE:** "Drop" is a verb meaning, inter alia, to fall suddenly or unexpectedly. "Box" is a
18 noun meaning, inter alia, a rigid receptacle, usually rectangular in cross section with a lid. The
19 quoted sentence is a reference to Plaintiff's commercial activities which have caused some of
20 Thru's enterprise customers to question the security and robustness of Thru's product.
21

22
23 **INTERROGATORY NO. 3:** Set forth, in detail, the basis for your claim that the
24 DROPBOX mark is distinctive as applied to Thru's products or services, whether inherently or via
25 secondary meaning. Include in your description all relevant dates, the facts supporting the exact
26 earliest date of secondary meaning on which you will rely in this proceeding to establish your
27 rights in the mark DROPBOX and specify the geographic area(s), as applicable.
28

1 **OBJECTION:** Thru objects that this Interrogatory purports to be a single interrogatory but
2 contains discrete subparts.

3 **RESPONSE:** See response to Interrogatory No. 2. As a suggestive mark, DROPBOX does not
4 require secondary meaning. Nevertheless, the relevant purchasing public for Thru's services
5 recognize DROPBOX as denoting services provided by Thru. The DROPBOX functionality has
6 been on the all Thru websites and portals nationally at least since May 24, 2004. Email marketing
7 campaigns, national magazine ads pointed prospect back to the Thru websites. To the extent
8 needed, DROPBOX acquired secondary meaning as a result of Thru's continuous use of the mark
9 from May 2004 onward. Secondary meaning was established prior to September 1, 2009.
10

11
12 **INTERROGATORY NO. 4:** Set forth, in detail, the basis for your claim that your rights in
13 the DROPBOX mark are superior to Dropbox's rights in the DROPBOX mark, including the facts
14 that support the exact earliest date of first use on which you will rely in this proceeding to
15 establish your rights in the mark DROPBOX.
16

17 **RESPONSE:** Thru's continuous use of the trademark DROPBOX since as early as May 24, 2004,
18 which is prior to the priority date of Dropbox's rights in the DROPBOX mark.

19 a) Internet Archive shows Thru's date of first use as May 24, 2004.

20 b) Thru's DROPBOX feature is internet delivered and is on the front page of every
21 Thru portal available anywhere in the United States.
22

23 c) Email from 4/17/2003 and the belief that DROPBOX is Thru's trademark.
24

25 **INTERROGATORY NO. 5:** Describe, in detail, the manner in which you have used the
26 DROPBOX mark. Your description should include the products and services you have offered
27 under the mark and the time periods and geographic areas that those products and services were
28 marketed under the mark in.

OBJECTION: Thru objects to this Interrogatory to the extent it seeks information that is not relevant to any claim or defense and not likely to lead to the discovery of admissible evidence. Thru further objects as this Interrogatory seeks information beyond that allowed by Fed. R. Civ. P. 26(b)(1) because it is not proportional to the needs of the case. Thru further objects to this Interrogatory to the extent it is unduly burdensome.

RESPONSE:

a) The Dropbox functionality has been included in all Thru products and services since the functionality was added in 2004.

b) At least since May 24, 2004 till now.

c) Information responsive to this Interrogatory can be determined from Thru's business records produced in this proceeding as THRU-001194.

d) There were 362,842 unique IP address that accessed Thru in the U.S. out of 500,000,000 accesses. This map is about 1,000 sample points rendered of Thru usage by IP address.

Additional information responsive to this Interrogatory can be determined from Thru's business records produced in this proceeding as THRU-002490 to THRU-010011.

INTERROGATORY NO. 6: For each product or service you identify in response to Interrogatory No. 5, list by calendar year the expenditures you have made on advertising, marketing and promotion in the United States.

OBJECTION: Thru objects to this Interrogatory to the extent it seeks information that is not relevant to any claim or defense and not likely to lead to the discovery of admissible evidence. Thru further objects as this Interrogatory seeks information beyond that allowed by Fed. R. Civ. P. 26(b)(1) because it is not proportional to the needs of the case. Thru further objects to this Interrogatory to the extent it is unduly burdensome.

RESPONSE:

a) The Dropbox functionality has been included in all Thru products and services since inception.

b) At least since May 24, 2004 till now.

c) Information responsive to this Interrogatory can be determined from Thru's business records produced in this proceeding as THRU-001194.

d) There were 362,842 unique IP address that accessed Thru in the U.S. out of 500,000,000 accesses. This map is about 1,000 sample points rendered of Thru usage by IP address.

Additional information responsive to this Interrogatory can be determined from Thru's business records produced in this proceeding as THRU-002490 to THRU-010011.

Additional information responsive to this Interrogatory can be determined from Thru's business records produced in this proceeding as THRU-011195.

INTERROGATORY NO. 7: Identify the first time you publicly identified on your website the word "Dropbox" or any variation as a trademark or service mark. Include in your response the date of the first time you used either the "TM" or "SM" symbol in connection with the DROPBOX mark.

RESPONSE: At least as early as May 24, 2004.

INTERROGATORY NO. 8: Describe, in detail, each incident, known to you, of actual confusion (including reverse confusion) between you or any of your products and services and Dropbox or any of its products or services. Include in your description the identities of the persons most knowledgeable about each such incident.

RESPONSE:

Subject: Thruinc comparison vs Dropbox and Box.net

Hi Vincent

Long time no see.

I am researching Dropbox and Box.net for iPad users to use DocumentToGo (apple apps) to sync their pc document to their iPad.

Do you have any comparison guide or chart between Thruinc dropbox and Dropbox.com or Box.net?

1 What are the advantages of Thruinc in comparison to Dropbox and Box.net? Given Dropbox
2 offers 2GB free storage, a lot of people will use it.

3
4 Kind Regards,
Paul
